TEAR OFF & RETURN

Dear SHP alumni,

Once a Tiger... always a Tiger! It is absolutely true for me that choosing Mizzou for college was one of my best decisions. My identity as a Tiger has been an incredibly valuable foundation. Little did I know when I got my undergraduate degree in medical technology that I would develop a love of learning that would lead me to two more MU degrees, a very satisfying career and the privilege of serving MU as Dean of the School of Health Professions. Take a moment to consider what your Mizzou education and experience have done for you. I bet you have some priceless memories of your time at MU. Let's celebrate that!

Mizzou homecoming is truly a celebration of all that makes this University great: thousands of community service hours worked, record breaking blood drives, the return of loyal alumni who are spreading the spirit of Mizzou around the country and around the world. Homecoming exemplifies the spirit, values, success and pride we all share as Mizzou Tigers!

... and it is the perfect time for us to celebrate our special life-long connection as graduates of the MU School of Health Professions. If coming to Mizzou was one of your best decisions, I invite you to join me and your former classmates and teachers for our SHP Alumni Reunion! Complete the enclosed registration and begin making plans to come back to campus October 14th and 15th.

*Once a Tiger... always a Tiger!
I look forward to your return and hearing about your journey and your accomplishments since graduation. Until then, **Go Tigers!***

Richard Oliver
